Fire and Safety repaired Units 1122 and 1123 and there were no recommendations for any further repairs required at this time. There is no word on the grant request.

As reported in the local newspaper, Minotola Fire Commissioners had heard nothing from the Boro regarding return of budget funds or consolidation with Landisville Fire Company in order to help offset a deficit with the Boro Budget.

The open portion of the meeting was closed to the public while the Commissioners met to discuss matters deemed to be privileged. Minutes of that meeting are on file.

The meeting was reopened and a motion was made by Tony and seconded by Gwynne adjourn the meeting. All in favor.
