Discussion:

Old Business –

- 1) The Lift Use Policy will be voted on during the August commissioner's meeting. It was suggested that the lift company train someone from the house committee, the chief, and a few other members on how to properly use the lift. In turn those members will train any other member that is authorized to use the lift... Spike will be contacting the lift company to set up the training.
- 2) A Background Check Policy needs to be drafted. A background check will be done on all new members. They will be sent to an outside company until the Buena Boro Police Dept is set up to do them.

New Business –

- 1) Work Sessions are only scheduled through August. The Commissioners will let Rita know if future sessions need to be advertised.

Motion to adjourn the work session Jerry, seconded by John,

Respectfully submitted _____.

A.E. English, Chairman
